## Overnight Camp Plans Complete

Luggage Must Be Left At P. F. G. A. Shed By 9 O'Clock Saturday

Preparations are complete for the fourth annual 4-H Club-Farm Bureau overnight camp, to be held this Saturday and Sunday at the El Dorado County campground at Lake Tahoe.

This is according to a report by Roy Marks, camp superintendent, to the farm advisor's office.

Officials suggested that it again be emphasized that for those who lack transportation or who have more luggage than they can carry, a truck will leave the P. F. G. A. shed at 9 o'clock going to the camp site.

Luggage left at the shed prior to that time will be carried to the camp by truck.

The general program provides for establishment of camp by 3 o'clock Saturday afternoon with the balance of the day devoted to games, swimming and nature study. Supper, supplemented by a hot stew and coffee provided by the Farm Bureau, will be at six o'clock and hikes, games and swimming will occupy the morning. The camp will close following the noon meal.

## SOIL CONSERVATION MEET ON THURSDAY NIGHT AT COURTHOUSE

A meeting of farmers known to be interested in the matter of forming a larger soil conservation district in the county will be held Thursday night at the courthouse at which R. V. Cozens, state co-ordinator, will discuss recent changes made by the Legislature in the state soil conservation act.

Notices of the meeting have been sent to those known to be interested and it is announced that any who care to may attend, whether they received a notice or not.

Tonight's meeting follows one held several months ago in which the question of forming a larger district was discussed. At that time there were some objections to the program and Mr. Cozens' talk will indicate the extent to which the features to which exception was taken have been eliminated by amendment of the act.

M. E. WRIGHT, who had served El Dorado Post No. 119, American Legion, in earlier years for nine successive terms as adjutant, was elected to be commander of the post for the ensuing year at the regular election Wednesday night.

## WRIGHT HEADS LEGION POST

Election Wednesday Night Also Names Delegates To Department Convention

Election of Officers for the ensuing year, was held Wednesday night and delegates and alternates were chosen for the 1939 State convention, at a regular meeting of El Dorado Post No. 119, American Legion in Veterans' Memorial Hall.

M. E. Wright, a leader and a diligent worker in Legion affairs for the past fifteen years was unanimously elected commander, moving up to that post from First Vice Commander.

Paul Smith was elected First Vice; Cecil Barker, now the post adjutant, was chosen Second Vice-Commander, and Mrs. Agnes Walter, 3rd Vice. Other officers elected included Paul Taylor, Sergeant-at-Arms; three new executive committeemen, Swift Berry, Harold G. Morehouse and Mance H. Vaught; Finance Officer, H. E. Hunsaker.

A new ruling last year entitling the new commander to select his own adjutant, brought a statement from Wright that announcement will be made in a few days of his selection. It was indicated that the present adjutant, Cecil Barker, wishes to resign and a new man will be chosen for the position.

Eleven names were placed in nomination for delegates and alternates, with the understanding that the five names receiving the highest number of votes would be delegates and the next six highest, alternates. The commander-elect is automatically a delegate to the first convention following election and installation.

Delegates chosen were: M. E. Wright, George E. Paugsted, Dr. L. J. Anderson, Mance H. Vaught, Otto Perschke, Duncan Bathurst.

Alternates: Wm. Liddicoet, T. S. Marlor, Sam Hern, L. A. Brown, H. E. Hunsaker and Paul Taylor.

Installation of the newly elected officers will be held at the first regular meeting in July, Wednesday, July 5th. The past officers' banquet, a tradition of the post, will be held in September.

## MEASLES PREVALENT IN COUNTY; MUMPS ARE ON WANE

Dr. A. A. McKinnon, county health officer, declared Thursday morning that a great many cases of measles are being reported in the county.

"Those who do not feel well or who suspect that they have measles can help to prevent the further spread of the disease if they will stay at home and call their physician," Dr. McKinnon said.

## South Side Center To Meet On June 30th

According to word received by the farm advisor's office, the members of the South Side Farm Center are making plans for a meeting to be held on the evening of June 30, Center Director Merle Cannon will conduct the meeting.

High School Principal and Mrs. E. Larson are spending this week at the Bay District.

## JAP ULTIMATUM DEFIED BY U.S.

Destroyer Pillsbury Will Remain In Harbor To Protect Citizens

TIENTSIN, China, (UP)—Great Britain and the United States defied a Japanese ultimatum to get their warships and citizens out of Swatow today, and instead of complying sent additional warships.

The United States destroyer Pillsbury and the British destroyer Thetis refused to leave Swatow harbor. Soon they were joined by the U. S. destroyer Jone D. Pope and the British destroyer H-51 (believed to be the Scout).

WASHINGTON, (UP)—Admiral Harry E. Yarnell, commander of the U. S. Asiatic fleet, today rejected a Japanese demand that American warships leave Swatow harbor and insisted on complete freedom of action of U. S. Naval vessels in protection of American nationals in China.

Yarnell informed the Japanese that U. S. warships will protect American citizens wherever the need may arise.

He also sent word to Japanese naval officials that their demand for withdrawal of the U. S. destroyer Pillsbury from Swatow had not relieved them from the "slightest degree of responsibility for damage or injury" to American naval vessels or personnel.

## Bartlett Plan Is Presented

Proposed Marketing Order On Size And Grades Is Submitted

SACRAMENTO—State Director of Agriculture W. B. Parker has submitted to more than 4,000 California producers and distributors of fresh Bartlett pears a proposed marketing order providing for state regulation of grades and sizes of fresh Bartlett pears entering intrastate commerce.

If the marketing order is to become effective, it must be approved in writing by more than 65 per cent of growers and handlers representing more than 65 per cent of the total tonnage of California Bartlett pears marketed fresh last year.

Unless terminated for cause by the Director, the order, if approved, would continue in effect subject to changes that might be made from year to year.

To assist the Director in the administration of the order, an advisory board of ten would be created, consisting of five producers and five handlers, as follows: producers, David J. Elliott, of Courtland; Wendell Henderson, of Kelseyville; J. B. Francis, of Auburn; W. R. Wilkinson, of Placerville; and Lloyd M. Robbins, of Suisun; distributors: P. M. Brady, of Sacramento; G. E. Dye, of Sacramento; Sydney Stokes, of Kelseyville; R. B. Karns, of Ukiah; and Walter U. Fredericks, of San Francisco.

Alternates for the proposed board members are also named in the order as submitted for approval.

The work of grading and regulating sizes would be performed by State Department of Agriculture inspectors.

Submission of the order to the industry follows a public hearing upon the proposed order held by the Department in Sacramento June 5. At that hearing no opposition to the order was presented.

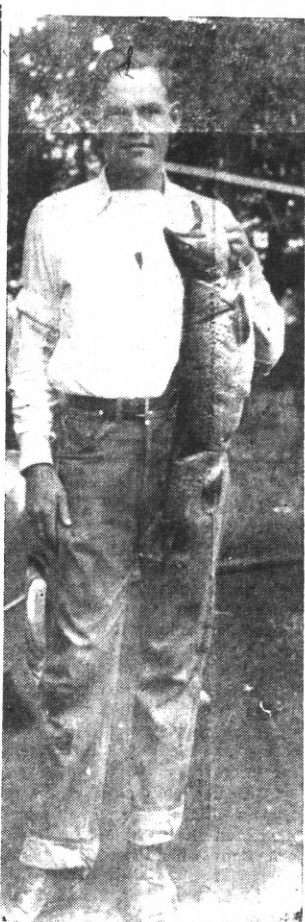

## Capt. and Mrs. Bell Off To England

Capt. and Mrs. W. F. I. Bell of Kelsey left the first of the week for a trip that will take them half way around the world. Plans were to drive to New York to sail for London, England, for a stay of several months. They expect to be home about the first of November.

## Missouri Flat Center To Discuss Burning

Representatives of the State Division of Forestry will meet with the Missouri Flat Farm Center at the community hall at Missouri Flat on Friday evening, June 23, to assist in a discussion of control burning of brush and weeds.

Center Director Alburn Veerkamp will preside at the meeting and an entertainment program of music and plays has been prepared.

AS THE ROOSTER SAID when he rolled an ostrich egg into the barnyard we just thought we'd show you what some of our neighbors are doing. William Latimer, Jr., of Camino, is shown with an eight-pound lock Leven which he caught on the American River above Whitehall recently. The fish, 20 inches long, was taken after forty minutes of fighting on a No. 12 grey hackle fly. When all was said and done, Latimer noticed that he was about 200 yards down-stream from where the fish first took the fly.

## \$40,000 FIRE AT CORDELIA

Business District Of Solano County Town Razed Early Thursday

CORDELIA, (UP)—Fire destroyed the business district of Cordelia today, razing the community's six principal buildings before four rural fire departments brought it under control.

Cordelia is seven miles west of Fairfield.

The blaze started between 3 a. m. and 4 a. m. under a staircase in a two-story building occupied by Mrs. John Dunker and her daughter, and destroyed the Southern Pacific depot; a two-story building and stock of Peter Siebe Co. general merchandise store; the Cordelia post office; Mrs. Dunker's apartment and a butcher shop on the ground floor; a warehouse and barber shop. Damage was estimated at \$40,000.

The only business district buildings that remained after the fire was extinguished were a hardware store and a dance hall.

## BABE BORN IN AUTO AS MOTHER HASTENS TOWARD HOSPITAL

Mr. and Mrs. William Wilson, of Happy Valley, are the parents of a daughter, Darlene Joyce Wilson, born on Sunday morning.

The baby girl was born in an automobile near Pleasant Valley early Sunday morning while Mrs. Wilson, accompanied by her husband and a neighbor, Mrs. Charles Hunt, was enroute to Placerville.

The party of three which had suddenly become four continued to the home of friends near the Sierra View Trading Post and Mrs. Wilson and the babe remained there until Monday, when they were brought to Placerville in an ambulance.

Mother and Darlene Joyce are reported as doing nicely at the county hospital.

## Judge Thompson May Get Pay Raise In '41

SACRAMENTO, (UP)—The assembly today passed and sent to the governor a bill by Senator A. L. Pierovich, D. Jackson, to increase the salary of the El Dorado county superior judge from \$5,000 to \$6,000, effective July 1, 1941.

Mr. and Mrs. Don Goodrich are spending several days at their summer home near Al Tahoe.

## NEW FEDERAL LOAN PLAN

3 Billion-Dollar Program Will Be Financed By Government Bonds

WASHINGTON, (UP)—President Roosevelt today outlined for congress a \$3,860,000,000 long term lending program, of which \$870,000,000 would be disbursed in the 1940 fiscal year.

He said that the loans would be made for self-liquidating projects.

Funds with which to finance the huge program would be obtained by offering of government-guaranteed bonds, rather than treasury obligations which are a direct charge against the federal budget.

Mr. Roosevelt outlined six categories of loans which would be made under the plan. These were:

1. Non-federal public works of the self-financing type such as water works, sewage disposal, bridges, hospitals, etc. A two-year \$350,000,000 program of which \$150,000,000 would be dispersed in the 1940 fiscal year.
2. Express post-roads self-liquidating on a toll basis, bridges, highways.

## Stripers Dying By Hundreds

Strange Malady Claims Fish In Upper Bay; Analysis Is Asked

MARTINEZ, (UP)—Apparently victims of disease, hundreds of striped bass were reported today to have died in the Carqueez Straits and Suisun Bay.

Fishermen said they saw many dead stripers floating on fishing waters throughout the upper San Francisco Bay, extending nearly to the delta of the Sacramento and San Joaquin rivers.

sent specimens to University of California for analysis.

## NORTH SIDE WATER CASE TO BE RESUMED ON JULY 19TH

Further hearing in two cases before the state Railroad Commission relative to the water situation on the north side of the county will be taken up at Georgetown on Wednesday, July 19, at ten o'clock in the morning.

This is according to word received Thursday morning from the Railroad Commission.

The two matters are, No. 4392: Georgetown Water Users, complainants, against the Georgetown Divide Water Company; and, No. 4413: In the matter of the investigation on the Commission's own motion into the rates, rules, regulations, etc., of Georgetown Divide Water Company, Ltd.

The hearing was initiated in May and was adjourned after a two-day session.

## BUDDING DEMONSTRATIONS SET FOR TUESDAY BY FARM ADVISOR

Two demonstrations in the budding of deciduous fruit trees are announced for Tuesday, June 27th, by the farm advisor's office.

A meeting will be held at ten o'clock in the morning at the Charles Rohrer ranch, near Summit school. The afternoon meeting will be at the Andrew Marchini ranch, on Coloma road, at 2 o'clock.

The demonstrations will be conducted by Farm Advisor Ivan Lilley and all who are interested are welcome to attend either one or both of the meetings.

## High School Librarian Attends Convention

Mrs. Gladys Veerkamp, librarian at the high school, is spending this week at San Francisco attending the annual convention of the American Library Association. The meeting opened on Monday and continues through the week.

## Westward HO!

Westward ever moved the advancing ranks of civilization, and Father Junipero Serra, as portrayed here in "Cavalcade of The Golden West," at the California World's Fair, was the first standard bearer of colonization in what is now California. Cavalcade brings to life in dramatic scenes, 400 years of thrilling conquest of the West.

## PIEROVICH MAY BE JUDGE

Senator Rumored To Get Amador Post As Caminetti Is Named Insurance Head

SACRAMENTO—Confirmation by the state senate of Governor Culbert L. Olson's appointment of Judge Anthony Caminetti, Jr., of the Amador County Superior Court, to the senate Wednesday by the Governor, has given strength to rumors that State Senator A. L. Pierovich may be appointed to fill the Amador County vacancy.

Judge Caminetti's name was sent to the senate Wednesday by Governor and the nomination was approved late Wednesday afternoon.

That Senator Pierovich may be appointed to succeed Judge Caminetti in the Amador Superior Court is the surmise of those about the capitol who have watched Senator Pierovich in his duties as one of the administration leaders in the upper house and who have supposed that he would receive some reward from the administration for his loyal support.

In the event of such an appointment, the existing vacancy in the Ninth Senatorial District probably would be filled by calling a special election.

## VACATION BIBLE SCHOOL AT FEDERATED CHURCH OPENED THURSDAY

The vacation Bible school of the Federated Church opened Thursday, June 22, and will continue until June 30th, at the church parlors, under the supervision of Miss Martha Brown.

The schedule provides for convening the school at 9 o'clock in the morning with sessions continuing until shortly before noon. Classes have been arranged for beginners, juniors and intermediates.

Among those who are assisting are Maxine Miller and Sylvia Johnson, Norma Kelly, Penelope Riser, Betina Jensen, Eldora Jensen, Mrs. Israel, Pearl Ringenberg, Elizabeth Wilder, Robert Combellaack and Baxter Eskew.

## May Tourist Traffic Is Reported

According to the bureau of plant quarantine of the state department of agriculture, 74,869 passenger automobiles entered the state during May carrying a total of 203,082 passengers. This does not include bus travelers.

Of this number 1,819 cars entered California at Stateline carrying 4,724 passengers. Of this number of cars entering at Stateline, 800 were licensed in states other than California.

The birth of a son, Daniel Cheslea Greenwalt, to Mr. and Mrs. Raymond L. Greenwalt, of Placerville, on June 19, is reported in a certificate on file Thursday at the recorder's office.

## PIEROVICH BILL IS DEFEATED

\$35,000,000 Relief Bill Passed By Assembly, Awaits Senate Approval

SACRAMENTO, (UP)—Final adjournment of the 53rd legislature was near at hand today as the Olson administration went down to defeat on the \$170,000,000 Pierovich Central Valley bill and agreed to accept a \$35,000,000 relief appropriation—the amount offered by Republican forces.

The only major issue yet to be settled before the longest legislative session in state history can end is acceptance by the senate of assembly amendments to the relief bill.

Senate Republican leaders planned to seek re-enactment of restrictions prohibiting any attempt by the state to fix minimum agricultural wages below which reliefers would not be required to accept offered work. But with adjournment fever at high pitch administration spokesmen anticipated speedy concurrence with the assembly action in removing these provisions.

The Pierovich bill was the point in Gov. Culbert Olson's legislative program for which the government made its greatest drive. It would have authorized issuance of revenue bonds to provide distribution facilities for power to be generated at Shasta Dam, under construction near Redding.

## Falling Tree Kills Three

14 Others Escape Hurts As Redwood Giant Smashes Two Cabins

SAN MATEO, (UP)—One boy camper was killed and three others were injured today when a Giant tree fell to the ground, smashing two cabins at Camp Yumica, a YMCA summer camp in San Mateo county memorial park.

The dead boy was James Smith, 10, San Francisco. Injured were William Best, Richard Hysom, 9, and Tony Menacho, 12, all of San Francisco. They were treated at the Mills Memorial Hospital in San Mateo.

The trunk of the tree smashed through the roofs of the cabins while the boys were asleep. The boys had been at the camp four days of a planned two weeks' outing of the Mission YMCA.

YMCA leaders said the accident came without warning, and that the tree had appeared sound.

## EASTERN STAR CHAPTER TO HONOR PAST MATRONS, PATRONS

The regular meeting of Fallen Leaf Chapter No. 90, O. E. S., at the Masonic Hall in Placerville on Monday evening will pay special compliment to the Past Matrons and Past Patrons of the chapter.

Preparations have been made for a short program and at the close of the meeting refreshments will be served.

Following the Monday night meeting, the chapter will be in vacation during July and August, convening again on the evening of the second Monday in September.

## Legion Post Announces Dance On July 1st

El Dorado Post No. 119, American Legion is making plans for a public dance to be given Saturday night, July 1st, at Landis Hall, Diamond Springs.

According to Commander Weber, a proposal was made to the organization by Ken Harvey and his College Orchestra, of Sacramento, to jointly sponsor a dance on the date named. A. C. Winkelman has been named committee chairman for the Legion.

Feature attractions of the affair are to be announced later and the committee asked that the date be reserved.

Chico State Teachers College has announced that Mary Blair, of Placerville, a graduate of the class of 1939, will teach during the coming year at the school at Diamond Springs.

Mrs. Joseph McKee, Mrs. Zedie Schott and Mrs. Addie Merrill are at the McKee summer cabin near Phillips.

## LATIN AMERICAN NATIONS INVOLVED IN DISPUTE WITH NATIONALIST SPAIN OVER RIGHT OF ASYLUM, FREEDOM OF PRESS

SANTIAGO, Chile, (U)—Relations between two Latin American nations and Nationalist Spain are strained, and involvement of other American Republics threatens, because of serious disputes regarding the right of asylum and freedom of the press. Argentina, Mexico, Salvador and Venezuela have come to the support of a Chilean demand that the Spanish nationalist respect the right of asylum and the free departure of 14 republican refugees sheltered in the Chilean embassy at Madrid. Colombian relations with Spain were affected because of the freedom of the press issue. At Mexico City the newspaper Ul-

tionalist throughout the Spanish civil war, now declared that Gen. Franco was losing friends in the western hemisphere because of the executions of republicans and the disputes with Chile and Colombia. During the civil war the Chilean embassy at Madrid sheltered 2000 nationalists. The republican government respected the Chilean flag and the nationalists were not molested. Chile paid for their maintenance. Now Franco demands that Chile hand over the 14 republicans given haven. Of the refugees six are physicians, four lawyers, three newspapermen and one a student.

## Sports Parade

By HENRY McEMORE

NEW YORK, (U)—The tipoff on what a slim chance Tony Galento has against Joe Louis is provided by the frantic activities these days of Joe Jacobs, manager of the Batting Beer Barrel.

Jacobs, who may aptly be described as the big cigar with the little man clamped on it, is working himself in 24-hour shifts as the time draws near for the bout in the Yankee stadium. He knows that Galento's record is not bright enough to warrant many customers' paying \$27.50, \$16.50, \$11.50 or the like to see him do battle with the champion, so he has concentrated on sensational publicity.

Equipped with a brain that was designed for an eight-hour day at the most, Jacobs has mercilessly driven it three times that long for ideas. It was after an eleven-hour stretch of pure thinking, during which time every one of his gray cells was busier than a beaver in a redwood forest, that he conceived the notion of charging Louis with loading his gloves with lead, steel, and assorted hardware.

It wasn't possible, Jacobs intimated, that any man could hit as hard with his bare fists as Louis did. He'll probably get straightened out on this point next Wednesday night when Galento is finally revived and gets around to telling him, from first hand information, the Louis can and does hit that hard.

I remember the time when Mr. Jacobs did not question the power of Louis' raw fists. I was seated near him the night that Joe whacked poor Primo Carnera into small and unattractive bits, and when Carnera fell like a stricken chimney, Mr. Jacobs, unable to curb his enthusiasm for such a show of hitting, leaped nimbly over two rows of chairs to tell me that never before had he seen such death and destruction in a set of boxing gloves.

But to get back to Mr. Jacobs and his sensational brain children. He followed the charged of leaded fists with an even more amazing move. After two hours of serious mental gymnastics he came up with a request that the fight between Galento and Louis be refereed by none

other than Arthur Donovan. This was a sure-fire space-getter because Donovan has worked so many Louis fights, and expressed his admiration for Joe so often, that there has been an occasional reference to him as Joe's "private referee." Jacobs knew it was believed that he would oppose Donovan because of this, so he took advantage of it, and even included in his request a tribute to Donovan as a referee so glowing that Donovan's nearest and dearest kin couldn't have improved on it.

This tribute was a smart bit of business—almost as smart as that of Galento on the night of the Baer-Nova fight when Two Ton made friends with Louis when the two of them were introduced from the ring.

## YOSEMITE TO OBSERVE 75TH ANNIVERSARY ON JUNE 30TH

YOSEMITE NATIONAL PARK—Yosemite will celebrate its 75th anniversary as a park on Friday, June 30th according to Lawrence C. Merriam, Park Superintendent. It was on that date in 1864 that President Abraham Lincoln signed an Act granting to the State of California the Yosemite Valley and Mariposa Grove of Big Trees "for public use, resort, and recreation . . . inalienable for all time . . . to be managed by the Governor of the state, with other commissioners."

This trust was accepted by California, eight commissioners were appointed by Governor P. K. Low, and Galen Clark, who was one of the commissioners, was made first Guardian. In 1906 the state voted to return the trust to the federal government in order that the two park areas might become a part of the larger surrounding National Park created in 1890, thereby ending the cumbersome dual control which had existed for 16 years.

Special programs are being arranged to celebrate Yosemite's 75th birthday. Mr. William E. Colby, a close friend and co-worker with John Muir on park and conservation problems, will speak at a program at Camp 14 on the night of June 30. Auto caravans to points of special historical significance will be conducted by the park naturalists.

Donovan is only human, and no member of our race was ever offended by praise. While it won't make him give Tony any the better of it June 28, it certainly won't influence him to give Tony the worst of it.

E. R. Dathe, of Newtown district, returned Friday from San Francisco where he had attended graduation exercises for his son, Edward, Jr.

Application for a license to wed was filed with the county clerk on Wednesday by Robert Duncan Paugh, of Smith Flat, and Eula Bonnie Dow, 24, of Placerville.

## Plodding, Powerful Transport In Cavalcade

Reminder of a sterner day when the romantic conquest of the West wasn't romantic at all, but a part of everyday life, oxen plod with their own peculiar majesty across the 800-foot stage of "Cavalcade of the Golden West" at the California World's Fair. The crossing of the plains in prairie schooners is one of the many scenes which bring a thrill to every American who sees the spectacular show.

## "IT'S HECTIC," SAYS THURMAN

"Call Of The House" For 39 Hours Described By 6th District Assemblyman

SACRAMENTO—By the time this column appears in print the 53rd session of the state legislature probably will have adjourned sine die. Thus far no definite relief program has been submitted to the legislature and the majority of the members of both houses believe that to hand over to the relief administration a blank check for \$73,000,000 or \$110,000,000 is entirely wrong regardless of the fact that blank checks have been handed out to previous administrations. The majority of the members of both houses believe that some definite program should be offered and the money allocated on that basis so that the taxpayers can have some definite assurance that their money will go directly for relief of needy persons. Your assemblyman is opposed to the blank check idea because there is too much of a chance to play politics with relief.

We can assure those on relief that any wild stories in the radical press that the legislators want

to starve those on relief is fiction of the worst type. Your legislators are concerned about the welfare of those on relief and want to know that the money they allocate for relief is spent for that purpose and that the administrative payrolls are not padded for political purposes. No one will starve in California regardless of what the radical press would have those on relief believe.

The past week has been the most hectic in many years as far as the state assembly is concerned. Working under a call of the house from 10 a. m. Wednesday until 1 a. m. Friday a period of 39 hours, without sleep was somewhat unusual for even a newspaperman who is used to more or less late hours. However, it wasn't so much the lack of sleep as it was the extreme nervous strain and tension the members were under with several highly controversial bills up for consideration including the oil control bill. Two members collapsed during this period, one being taken to a hospital and the other to his hotel. Another had to leave the assembly chamber for his hotel in a near collapse while others were near the verge of collapse.

During all of this period from Tuesday until Friday morning the Assembly was working under the date of Tuesday, June 13th, the clock having been stopped on that date. This fiction in the matter of

## Roosevelt Parries Query About "Third Term"

WASHINGTON (UP)—Almost everyone in Washington was willing today to discuss the possibilities of a third term except President Roosevelt himself. The President told a reporter who asked him at his press conference yesterday if he planned to seek reelection in 1940 to "go stand in the corner."

Edward Dathe, Jr., of San Francisco, spent Father's Day at Newtown with his father, Edward Dathe, and Mrs. Dathe.

Kenneth Ward is here from a Virginia naval station for a furlough with his parents, Mr. and Mrs. Frank Ward.

the day was necessary inasmuch as Tuesday was the last day in which the assembly could consider bills originating on its side of the house. Friday afternoon under a series of roll calls and adjournments we caught up with Friday as from that day on Senate bills were considered.

Next week this column will contain our final letter in which we will give a brief recapitulation of the session.

## The LETTER BOX

Public Forum.  
To The Bartlett pear growers of El Dorado County:

You have all received from the Department of Agriculture of the State of California an assent form to vote on the proposed California intra-state marketing order. It is of the utmost importance that this order be instituted in that it will protect your good California markets for our late pears from competition with low grade fruit that will seek an outlet here as it cannot go east because of Federal regulation.

There is nothing in the order that will curtail shipments from El Dorado County as it is not our practice here to ship fruit below a U. S. No. 2 grade, but it will protect you from competition with districts that make a practice of so doing.

If you have not mailed back your vote DO SO AT ONCE FOR IF YOU FAIL TO SIGN AN ASSENT FORM IT WILL CONSTITUTE A NO VOTE.

If you have lost your form, please contact one of the following and they will furnish you with one: Lee Veerkamp, Leo Akin, Willard Wilkinson, John Winkelman, Ivan Lilley, Frank Toombs, John Larsen, J. B. Hughes, Dick Patterson, J. A. Hodapp, Walter Leavitt or Leo N. Ench.

These men are working voluntarily and are giving their time so please co-operate with them.

## STORK "RUINS CAREER," BRINGS GIRL WHEN BOY'S ORDERED

NEWARK, N. J. (UP)—Sidney A. Fortel's whole new career was ruined today—the stork had crossed him up.

He had been certain of one thing in the world: That his mathematical formula could predict every time the sex of unborn babies. He had predetermined the sex of 60 friends' children, so he said.

And so, last March 7, he announced without hesitation that a son would be born to his wife. He named the son Howard A. Fortel. When the boy was born he was going to quit his linen supply business and become a professional sex predictor.

As a crowning gesture he sent a formal invitation last March to friends to attend "Howard's circumcision" on June 25.

At 5:20 p. m. yesterday, Mrs. Fortel gave birth to a girl. A certificate of record at the courthouse Thursday tells of the marriage at Georgetown before Justice of the Peace Amy L. Drysdale on Wednesday of Chester S. Draminski, 35, and Barbara Evelyn Wolgamott, 38, both of Garden Valley.

speed highways, city by-passes. A four-year \$750,000,000 program, of which \$150,000,000 would be dispersed in fiscal 1940.

3. Railroad equipment program under which equipment would be purchased and leased to railroads at a rate returning the cost to the government. A three-year \$500,000,000 program of which \$100,000,000 would be dispersed in fiscal 1940.

4. Expansion of the rural electrification program to reach a maximum of 1,250,000 farm families. A seven-year \$460,000,000 program of which \$20,000,000 would be expended in fiscal 1940.

5. Expansion of farm security loans on self-liquidating basis with loans for farm purchases, repairs, water facilities, etc. A two-year \$500,000,000 program of which \$250,000,000 would be dispersed in fiscal 1940.

6. Extension of short and long term loans to foreign governments to promote U. S. foreign trade, proceeds to be spent in the United States, a two-year \$500,000,000 program, of which \$200,000,000 would be dispersed in fiscal 1940.

B. E. Haslam and John Arthur, of the agricultural conservation association, were on the south side of the county Thursday in connection with range inspections.

## Mrs. Nellie Curtis Is Wednesday Hostess

Ladies of the L. D. S. Church Wednesday night held the regular meeting, lecture class and social at the home of Mrs. Nellie Curtis, of Cedar Ridge subdivision.

Mrs. Walter P. Leavitt gave a very interesting review of the life and works of Henry Wadsworth Longfellow, as the main feature of the evening's entertainment. Following the book review a dainty luncheon was served by the hostess.

Those present included: Mesdames Iva Miller, Albert Carlson, Allie J. Cheney, Anna Anderson, Etta Miller, Allene Cheney, Lela Vaughn, Marjory Leavitt and Nellie Curtis.

## CCC Camps Will Have Civilian Directors

According to press dispatches from Washington on Wednesday, it is planned that the military supervision of the CCC camps will be gradually abandoned until, by the end of the calendar year, supervision of the camps will rest with civilians, rather than with the Army as at present.

Reserve officers have been directing the camps for six month periods, it was said, and it was announced that as their six-month terms expire, the officers will revert to civilian status and will continue as camp directors, or will be replaced by other civilian directors.

## OLSON REVENUE PROGRAM PAID BY RACING BILL DEFEAT

SACRAMENTO (UP) — Defeat of a bill designed to raise an estimated \$1,000,000 a year through increased taxes on horserace betting today left Gov. Culbert Olson's \$63,000,000 revenue program reduced by the Legislature to \$1,500,000.

Only item in the Governor's list to be approved was a new tax on gifts. The horseracing levy was the only other proposal to survive the assembly and was voted down in the senate last night 12 to 25.

The defeated bill, by Assemblyman Rodney Turner, D. Delano, proposed to increase the state's percentage above the present four percent on total season betting over \$10,000,000. Only Santa Anita and Hollywood parks exceed that amount and nearly 90 per cent of the new revenue would have come from Santa Anita alone.

District Attorney and Mrs. Henry S. Lyon and daughter, Evelyn, are spending the latter part of the week at San Francisco, where Mr. Lyon is attending the annual convention of California District Attorneys.

## GRANGE NOTES

## HOME EC MEETING

The Home Economics Club of the Granges of the county held its regular meeting Thursday, June 22, at the home of Mrs. Mae Kline, on Coloma road. The group met during the mid-morning and had a pot-luck luncheon at noon.

## GOLD TRAIL

At the regular meeting of Gold Trail Grange on June 14th at Coloma, memorial services were held for seven members who have passed away since the Grange was organized. The following program was presented: processional, led by Chaplain Ray Rosenberger; Lord's Prayer, by the audience; "Lead Kindly Light," Noreen Peterson, pianist; "In Memoriam," by the chaplain; "Abide With Me," by the pianist; Eulogies; "The Old Rugged Cross" by the pianist; Recessional.

The mystery box was awarded to Mae Kline. The last card party of the season was given June 17th. There were nineteen tables.

During July, August and September

## PLEASANT VALLEY

Pleasant Valley Grange held their regular meeting Tuesday, June 20, with a large attendance. Five members were given the third and fourth degrees. Hall plans were discussed and there was also discussion on the Fourth of July celebration, when we will go to Silver Lake to celebrate the master's birthday anniversary. We all want to thank Ernie Gray and Mrs. Haskew for the lovely music.

Almost all of the cement has been poured for the foundation of our hall and we are going to work at it again Sunday. The next regular meeting will be held July 6th. All Grangers are invited. Myrtle Avansino, lecturer.

## POMONA GRANGE

At the recent meeting of Amador-El Dorado Pomona Grange, the following resolution was adopted:

WHEREAS, Owners and Holders of mining or mineral rights, in many cases, consider those rights of considerable, or equal value as the surface rights, and often thereby cause much delay and even stop other-wise approved land loans by Federal Agencies or Private Agencies; therefore, the El Dorado-Amador-Pomona Grange No. 14, goes on record as recommending that action be taken by the California State Grange and all Pomona Granges of California, to raise the tax assessment rate of four cents per acre per year, as they are now, on said mineral rights, to a level that will equalize this unfair difference in the present tax rate as compared to the surface rights.

Adopted and approved by the El

Dorado-Amador Pomona Grange No. 14.

## WEED CONTROL DISCUSSED

El Dorado-Amador County Pomona Grange met Friday night, June 16th, at Fossati's hall in Smith Flat at the invitation of Hangtown Grange. Master Carl Visman brought up the matter of mineral rights in connection with getting loans on property, notwithstanding the fact that mineral right owners set a high value on same they only pay taxes at the rate of four cents an acre. Therefore, the Pomona Grange went on record as favoring a resolution increasing taxes on the mineral rights commensurate with the value of same mineral rights.

The problem of the eradication of star thistle and Klamath weed came in for some serious discussion.

Several visiting masters were present, namely Joe Langer, Three-Forks Grange; Albert Herzog, Sr., Gold Trail Grange; Elmer Porini, Hangtown Grange, also State Deputy F. Rumrill, of Ferndale, and District Deputy John Berg, of Auburn.

L. J. Anderson spoke to the Grange about the coming county fair and asked for the cooperation of the Granges. He explained in some detail several matters pertaining to the fair premium lists.

John Berg, of Placer county, spoke regarding the unsatisfactory condition that existed at the Placer county district fair. H. E. Dillinger spoke on many things and called it a "hodge podge" presentation. F. Rumrill spoke about the Grange in general and stated that he was in the process of organizing a Grange at Ione. Dancing followed by refreshments concluded the meeting.
